Who we are (cont.):

- We are **board certified** emergency medicine doctors with over **20 years** of experience each.
- **Dr. Lisa Dabby** is a recognized expert, featured in the LA Times, LA Magazine, and on CNN
- **Dr. Naomi Dabby** has been caring for critical covid patients in the Covid Surge Hospital ICU
- We are taking care of **covid** patients in the emergency room
- We have consulted for offices, spas, restaurants, tv & film
- We have created **modMD** to bring **excellent care** and **safety** to your production site.

What **modMD** offers productions:

**Rapid Covid-19
testing on site**

**Education & safety
protocols**

**Medical Consulting
and tele-medicine
in your home**

modMD can help you in your home

Testing Info:

We are HIPAA compliant

We can run up to **400** tests per day at your home or business with a with a turnaround time of **24 hours**.

Our Staff:

We use registered nurses who are experienced in administering Covid-19 tests and will be wearing full medical grade personal protective equipment.

We have a safe practice checklist to keep you and your employees protected during the testing.

Thank you
